

**WAC 246-341-0702 Outpatient services—Individual mental health treatment services.** (1) Individual mental health treatment services are services designed to assist an individual in attaining the goals identified in the individual service plan. The treatment services are conducted with the individual and any natural supports as identified by the individual.

(2) An agency certified to provide individual treatment services must meet the behavioral health agency licensure, certification, administration, personnel, and clinical requirements in WAC 246-341-0300 through 246-341-0650.

[Statutory Authority: 2018 c 201 and 2018 c 291. WSR 19-09-062, § 246-341-0702, filed 4/16/19, effective 5/17/19.]
